BRENT CRUDE

I like to think I'm an ordinary bloke, really. I like my dinner hot, my beer cold... And my women oiled and slippery! This started on holiday in Florida with my two best mates, three years ago. One night we went to a club where part of the evening's entertainment consisted of sexy, busty women mud and oil wrestling. I'm not sure if there was any point to the exercise besides the amusement value, but it was a very arousing display!

The mud grappling held little interest for me, but the sight of those feisty sun-bronzed beauties, scantily dressed and writhing in pools of oil as they wrestled playfully with each other made me really horny. Especially when one of the lovelies 'accidentally' removed the other's bikini bottom or top

THE SIGHT AND SMELL OF HER UNDIES SO CLOSE TO MY FACE DID WONDERS...

as they slithered erotically! It was a very exciting and memorable spectacle. So much so, that almost immediately upon returning home I tried to persuade my girlfriend Sarah to use oil on her own body.

She's a leggy minx who has always been sexually extroverted: screwing in public

places and performing fairly elaborate stripteases for my gratification, so she was well up for my slippery suggestion.

One particular night, she danced tantalisingly in front of me, gyrating her hips and bottom while I lay on the bed fondling my stiffening rod. Her wet pussy was only inches from my face as she expertly wiggled out of her knickers.

Laying them on the pillow near me, she continued to undress. By now I had an enormous erection and the sight and smell of her undies so close to my face did wonders for me. As every last item of her clothing dropped onto the floor, she took a bottle of baby oil and began dribbling it onto her chest, fondling her engorged nipples and massaging her breasts.

Watching her oil herself up made me unbelievably horny and as Sarah had become so engrossed in self-pleasuring, she didn't seem to notice that I'd picked up her discarded pants. While watching her dance, I sucked at the creamy secretions in the gusset - filling my senses with their musky smell as I watched her hands work their way over her flat stomach towards her neatly trimmed quim.

Making circular movements with her palms, she rubbed the baby oil into her mound, and then, sighing with pleasure as she dipped her fingers into her crack, she began to frig herself quite unashamedly. Discarding her knickers, I too

SOME NEWS IS GOOD NEWS!

Dear Mayfair,

I happened to be watching that particular episode of *Channel 4 News* when who should appear before my eyes but the delectable Lexi Lowe and Jasmine Jae! What a thrill, having the next issue of my beloved *Mayfair* trailed in the middle of TV's most respectable current affairs programme. I have to say, both girls came out of the news package very well indeed (and I had to admire the crafty reporter for managing to

wangle his way onto a *Mayfair* shoot for it!), and of course they really piqued my interest for the set when it appeared in the magazine itself. Needless to say, I was not disappointed!

I look forward to seeing Cara Brett on *Question Time*, and Emma Green showing off her charms to Andrew Marr one Sunday morning!

began to slick myself with the lubricant. As I did, I became aware of the sensuous sensation that the fluid produced when rubbed into my skin – especially around my large tool.

My passion aroused, I pulled her onto the bed and then, straddling her in a sixty-nine, I began to tongue her sumptuous fanny lips. Sarah loved having oral sex performed on her, and her warm saltiness trickled out of her and all over my face, catching momentarily in my facial stubble before dribbling down my chin.

When she sucked my straining cock into her mouth, her tongue darting back and forth over my cock-head, it took all the self-control I had to stop myself spunking. "Okay! Fuck me now," she groaned, and I hurriedly switched positions and drove my thrilling member deep into her wet snatch, fucking her hard until she came, quite literally wailing with pleasure.

This was the first time we had enjoyed oily sex together, and since then our techniques have improved. We have regular sessions – especially when on holiday where we can play without needing plastic sheeting to protect the furniture!

The most memorable occasion on which we 'indulged' was last August, when we made use of a villa with a private swimming pool

"I PULLED HER MAGNIFICENT TITS FROM HER TOP AND BEGAN TO RUB OIL INTO THEM."

in Gran Canaria. Sarah and I were determined to make the most of our break, so when we got to the villa, we headed straight out to look at the pool area. It was very hot without a cloud and so, rather than risk sun-burn, we rummaged in our suitcases for our swimming gear and sun-tan lotion. I suggested we go naked but Sarah insisted she was going to wear her new bikini.

When we returned to the pool, she lay on her stomach and encouraged me to oil her body. She had a variety of oils and tan lotions laid out for me. Flipping the top off a bottle of almond oil, I began to massage it into the back of her neck and shoulders and could tell how much she was relishing the feel of the liquid as it turned her lightly-tanned skin into a glistening arena of pleasure for my fondling fingers.

I liberally poured some onto her back and watched as it trickled slowly into the furrow of her spine and down towards the crevice between her arse-cheeks – soaking the fabric of her bikini-bottoms. My cock hardened as I massaged her buttocks. She wriggled her bum, her hips bucking under my hands as my fingers kneaded her firm flesh.

Flipping her over and dragging her bikini-bottoms off, I pulled her magnificent tits from her top and began to rub oil into them. Her nips began to swell as I massaged them – gently squeezing each bud then pulling it taut and allowing it to slip from the oily and wonderfully uncertain grip of my fingers.

Sarah pulled off my trunks with an air of urgency – smiling as my rigid manhood sprang into view. She took some suntan oil and started rubbing it into my ball-sac, fondling my slippery nuts with one hand while the other slid up and down my rampant pole. Leaning forward, she rubbed my cock all around her face, making loud slurping noises as she slobbered all over it. She stopped just nano-seconds short of bringing me off and began to oil my chest. Though desperate to come, I reciprocated by oiling her stomach, moving down to her beautifully neat slot.

Sarah's labia are luscious and deep pink; when aroused they swell, emphasising her love entrance with its juicy red lips. They looked like that now, and I fingered them eagerly, searching out her clitoris between these shiny swollen petals. Teasing her to orgasm was easy and she came on my hand, nectar squirting from her glistening snatch and drenching my fingers with her fluids.

I lowered myself onto her and she gasped with pleasure as my prick slid into her cunt with oily ease. Holding onto slippery breasts was difficult and more than once my cock almost slid out her fanny in this position.

I could hear her breathing quicken as she approached orgasm. I held back until I could feel her vaginal muscles tighten, then gave it one more super-slidey thrust. Sarah's body began to judder hard beneath me as her orgasm erupted, her cunt contracting viciously

BEX APPEAL!

Dear *Mayfair*,

What a magnificent specimen of adult feminine humanity is young Bex White!

Sadly, I missed the issue of *Mayfair* from last year that she first appeared in (*Ahem, back Issues line! – Ed.*), but I am immensely grateful to all the staff at *Mayfair* (and, of course, Bex herself) for featuring her displaying her charms so intimately in 50.03!

Bex has a truly beautiful face, a lovely tumble of long blonde hair, gorgeous lingerie, perky breasts and nipples, long arms (within which a man would happily die), long black-stockinged legs with child-beating hips, perfect buttocks and a darling shaven pussy!

I don't suppose I'm the only reader who's waxed lyrical about this stunning British beauty, so please make sure we see plenty more of her in *Mayfair* before long!

We still love to use oil in our love-play – and if you've never tried it, I implore you to do so!

Delicious Natalia Forrest was looking even more sun-kissed and healthy than usual when we got together with her for this shoot – so has she got herself a new sunbed or something?

“Not at all! I managed to get away for a couple of weeks just before Christmas,” she informed us. “I find the winter so long and depressing I always try and fly off somewhere warm and exotic to break it up a bit!”

Hmm, it sounds like a plan, although if we wanted to sample something warm and exotic over the winter, we’d prefer it if Natalia stayed in the UK – with us!

“Oh, don’t be silly – I’m not at all exotic. But the guy I met on my winter sun break certainly was. You might just notice that, as well as the healthy glow, I can’t stop smiling as I remember the things he did to me. I think this smile will last the whole of 2015!”

Blimey! if you’re smiling after your holiday romance, we can only assume your exotic beau is grinning like an utter loon, the lucky blighter!

JILL'S AND THRILLS...

Last September I became a university student – a move which changed my life, and more importantly my sex life. I was very naive and my sexual activities had been limited to fumbblings at parties and in the back row of cinemas. Luckily, my fortunes changed when I went out for a drink with one of my tutors, John.

black satin shirt. "Don't get out of the chair," she whispered to me. "And don't touch your cock, you randy little bastard."

I was dumfounded. Jill stood in front of me and began to take her clothes off. She unbuttoned her shirt, revealing her well-stuffed bra, and then eased down the zip of her skirt, letting it fall to the floor. Her hands smoothed over her bum and then, without hesitation, she whipped off her tiny G-string and walked towards me. "What do you think?" she asked. Before I had the chance to answer, Jill sat down beside me and

and I quickly finished undressing as Karen lay down on the floor. "Fuck me," she urged.

I moved onto the floor on top of Jill as she guided my cock into her, grabbing my bum and pulling me right inside her hole. "That's it," she purred. "Fuck me nice and hard like a good young lad." I began with long slow thrusts, almost pulling right out of her before powering back deep inside her. Jill loved this and was screaming loudly as she neared her orgasm.

Suddenly, she reached down and pulled

Dear *Mayfair*,

What a treat for all discerning admirers of British womanhood was your latest issue (50.03). Unless I'm very much mistaken, every single girl on display hailed from these fair isles – and didn't they do us proud!? It was wonderful to see Charley Rose making her debut – I hope it won't be her solitary appearance in the magazine – and Cara, Bex, Chelsea and the others all ticked the right boxes as well – especially Holly Gibbons, who was looking lovelier than I've ever seen her before! The two pictures of her you featured on page 49 were simple exquisite! Why even 'Cuddly West Indian' Beverly had me purring in appreciation – keep it up! Mike, Birmingham.

BRITISH LAY LAND!

As we knocked back cheap pints in the uni bar, John started to talk quite frankly about the problems he was having with his wife. "Truth is, she's a fucking nymphomaniac," he tells me.

"I just can't keep up with her and she says she wants to get a younger man to help her out." And that's when he asked me, "How do you fancy the job, mate?" I laughed out loud... until I realised he was serious.

"What does she look like?" I asked. John opened up his wallet and showed me a picture of his wife on a bike. She was about forty, but still a real stunner. Long blonde hair, long legs and the most gorgeous pair of tits. But it was the sight of her arse spread over the saddle that really did it for me. "She's bloody beautiful," I told John, agreeing to his proposal.

We fixed a date for that Friday night. When I got to his flat he led me into the living room and offered me a beer before telling me he'd be watching from the kitchen hatch. He left me alone, and a few minutes later the door opened and in walked his wife, Jill. She looked absolutely incredible, dressed in black stilettos, red fishnet stockings, a black leather mini-skirt and a

undid my shirt. She ran her hands over my chest, before moving to the flies on my jeans.

Her eyes widened as she pulled my trousers down around my knees and grasped my prick in both hands. "What have we here?" she giggled. Her mouth moved to my crotch where she started to

lick my helmet. My dick wanted to come on the spot as she ran her tongue up and down my erect shaft, gently lapping at my balls. Then, just as I was sure I was about to shoot my load, Jill pulled away and led me by the hand to the middle of the room.

"Get out of your clothes," she ordered,

my cock from between her legs and then flipped over on to all fours.

"Fuck me up the arse," she begged. Her bum looked incredible and her pussy was wet and dripping as I guided my prick between her spread cheeks. Jill moaned as I inched inside and started pumping hard. She bucked her hips back against me and her head was down on the floor with her teeth gritted. "I'm gonna come," I yelled as I pulled myself from out of her ring and then shot my load all over her arse cheeks. Jill turned around and greedily fed my cock into her mouth and sucked every last drop of my come.

Just then, I heard a cheer from the kitchen and I looked around to see John behind me with a large grin on his face. I had completely forgotten about him.

"Well done mate!" he said. Jill then walked into the kitchen and led John out. He was sporting a huge hard-on, which she proceeded to get to grips with without any further ado. John was right, she is an absolute nympho, as I've had the pleasure of confirming on several more occasions since that first night!

Reckon it's about time we unfurled another British newbie? Well that makes two of us, so allow us to introduce Miss Felicity Hill, a fresh faced 23-year-old who hails from Buckinghamshire! She's a rather sprightly thing, too, if the way she carried on at this shoot is anything to go by – bustling around the place, making sure everything was just right before finally settling down and giving us an eyeful of her delectable bod! Once we'd had a chance to draw breath, we asked her what had led her down the path to appearing in *Mayfair*...

"My first boyfriend was a *Mayfair* reader," she explained, "and we were always looking at the magazine together. He had a habit of comparing me to the girls in the magazine, and after a while we hatched the plan for me to appear in it. We've long since split up now, but I'd like to think he's still a reader. Chris, this is for you!"

Well, at least we all get to benefit as well!

QUEST...

At long last it's time to shed those giant winter coats and get ready for the warmer weather. Although it's not coats but inhibitions being shed here!

It had been a long time since we'd had a proper night out. Too long, we all agreed. Our workplace used to go up the West End regularly – maybe not every week, but not far off. Anything used to be an excuse to go out – birthdays, break-ups, boredom – we were social animals. Yet during the long winter months we'd let the going out slip. So when we got a new manager, Michelle and I decided that it was time to reinstate an old tradition. Of course it might have had something to do with the fact that we both fancied him something rotten. Going out was an excuse to get some drinks into Mark and to get to know him better before he became too settled in his new position.

Name: JEN
Age: 25
From: LEWISHAM

"You girls just won't take 'no' for an answer," he said with a smile, after he'd seen us corner a colleague in the kitchen.

"No," we chorused happily. All the old gang had agreed to come out for at least one drink. "It's important for everyone to meet the new manager," I said, trying to be professional.

"Besides, it's only a couple of drinks and nobody really does anything on a Thursday night," Michelle said, taking a different tack. She had a naughty twinkle in her eye. I had a good idea of what she was thinking about doing on Thursday, or rather who.

All the gang were there, even our boss, Alex, who bought a round of drinks before shooting off. We quickly downed the drinks – gin and tonics all round, just like the old days. Mark had never tried a gin and tonic and we all laughed as his face screwed up at the sour taste. "Perhaps there's something else on the menu that you'd like to try?" Michelle asked. I couldn't see what she did under the table, but whatever it was made Mark jump out of his seat. She was making her move, which meant I had to act fast.

As the other members of our group headed to the toilets or the bar, I shifted round until I was sitting next to Mark. The buzz of the alcohol was making me brave and I took Mark's hand and placed it on my thigh. He gave it a little squeeze. I felt quite pleased with myself until I looked down and saw that

Michelle was rubbing the bulging crotch of Mark's trousers. A flash of competitiveness took hold of me. That sense of competition overrode any reservations that would normally hold a girl back when she's out with work colleagues. I clamped my hand over Mark's and guided it right up my thigh, and onto my knickers. He gave me a surprised smile and then started exploring and stroking.

People made their excuses and left until the group had dwindled to Mark with Michelle sitting on one side and myself sitting on the other. We could see the street from where we were and had a clear view as the rain started pounding the pavements. "May as well stay here for a bit longer," Mark said. "There's no point getting soaked," he added, looking straight into my eyes as he used his fingers to push the crotch of my knickers right up into my slit. It wasn't just the pavements which were wet. Why would he want to move – he was having his cock rubbed while he was

simultaneously fingering me. Mark built a really nice rhythm with his fingers and he seemed to know exactly how much pressure I needed. Worryingly, I felt my orgasm building. My legs clamped shut defensively, trapping his hand, stopping it from taking me over the edge. Mark knew why I'd stopped him and gave me a wicked grin.

"Would you mind getting another round of drinks?" Mark asked, slipping a note to Michelle. My heart throbbed – Mark was choosing me over Michelle. The scowl on her face confirmed that she felt the same.

I TRIED TO ACT CASUAL AS MARK WRAPPED MY HAND AROUND HIS HOT, BARE FLESH.

Did she know that Mark had his fingers inside my pussy? That he'd very nearly given me an orgasm? She couldn't refuse the request without being rude. As soon as Michelle moved, Mark unzipped his trousers and extracted his cock. I gasped as I saw it sticking up under the table. Michelle turned back. Could she see it poking up? I tried to act casual as Mark wrapped my hand around his hot bare flesh. Michelle paused for a second,

as though she knew something had happened but then turned away and headed to the bar.

"Nothing like this has ever happened to me before," Mark said. "I nearly came in my pants a second ago." I wasn't really listening as I watched my hand stroking up and down Mark's cock right there in the bar. It was hypnotising. "Oh fuck," he sighed, and his hips lifted briefly off the seat. It was obvious that he was still really close.

I licked my lips provocatively and Mark did the same, perhaps thinking that I was going to kiss him. I was preparing to do something much ruder. I put my mouth against the side of his head and whispered in his ear, "I'm going to make you come in my mouth." Mark's face took on an expression which was half shock, half gratitude. My heart was pounding. I couldn't believe what I was doing as I dropped my head into Mark's lap but I wanted to do it. It wasn't really a blow-job – I barely brushed my lips over the tip of Mark's cock as I continued to wank him. I was scared to move my head too much in case it attracted attention but what I did was enough. Mark's body tensed and his crotch lifted again, pushing his cock through my lips and

into my mouth just as it pulsed for the first time. I closed my lips and sucked, taking more and more of Mark's spunk into my mouth. I felt slightly guilty that I was taking the reward for Michelle's handiwork but that only served to make what I was doing even naughtier.

the park, strip off my jacket and allow the sun to tan my exposed skin while eating my sandwiches.

I have dark brown eyes and a thick mane of lustrous chestnut hair, which, along with a trim figure, a pert yet well rounded arse and full breasts all seem to make me an attractive target for men. The fact that I love sex is a blessing, as they seem to be drawn to me like bees to honey.

The past few days have been very sunny, and on Tuesday I took my sandwiches to the park at lunchtime. As I was leaving the office building, Gavin - who works in accounts - was also on his way to lunch and he suggested we keep one another company. Gavin is a total hunk - he has a fit bod, dresses well and has a handsome face. We are good mates and since I joined the company we have been frequent fuck-buddies.

We walked the short distance to the park, stopping first to pick up a rug from Gavin's car so we could sit on the grass to eat our lunch. It did not take us long to finish, and when Gavin suggested that we explore the tracks which led through the trees and shrubs I agreed. We wandered off the path, through the undergrowth and into a little clearing, where Gavin threw down the travel rug.

We began kissing. Reaching down I unbuttoned his jacket, and began massaging the bulge in the front of his suit trousers. Gavin moaned quietly and his hands touched my breasts, gently palpating them through my blouse. Pressing his body against mine he dropped his hands to my arse-cheeks, squeezing them and making my

"MARK'S BODY TENSED AND HIS CROTCH LIFTED, PUSHING HIS COCK THROUGH MY LIPS AND INTO MY MOUTH..."

"Oh fuck," Mark sighed, and I took that as a signal that he was done. I swallowed and then licked him clean and swallowed again. By the time Michelle returned with three more drinks, the only sign that anything had happened was a slight flush and an odd atmosphere at the table. The odd atmosphere was partly to do with the fact that Mark's fingers had slipped inside my knickers and then inside me. He was feeling his way around my pussy and I was concentrating on keeping quiet. Mark hooked his knee over mine - I couldn't close my legs this time. I couldn't stop him from giving me an orgasm. What he was doing felt amazing and I was so horny with the taste of his spunk still in my mouth and the thought of his spunk in my belly. Mark's fingers circled, pushed, circled pushed, circled pushed. The steady routine of the movement let me anticipate the pleasure, let me control the moment when I finally gave in. Or so I thought. Unable to hold it back any longer, Mark took me over the edge.

"Are you OK?" Michelle asked, as I tried to muffle my gasps of pleasure. I couldn't speak; my body was pulsing with utter bliss. 'Michelle is watching me orgasm,' I thought dizzily. She'd warmed Mark's balls - but I'd made them boil as he had now made me boil right in front of her. The naughtiness of the situation only served to make every spasm feel even better. I felt floaty and didn't care what anyone thought as my body twitched with delicious aftershocks.

"Couldn't be better," I sighed belatedly, giving Mark a wink as I finally took a sip of my drink and swallowed very deliberately. We shared a knowing smile which meant there was no sense of competition or jealousy when I saw Michelle's hand moving over Mark's crotch again. I was more than happy for Michelle to be the warm-up act since it was clear that I was the main attraction.

Spring is in prospect at last, and the warmer weather always seems to boost my libido. At this time of year I like to make the most of the sunshine, and during my lunch-breaks I walk to

pussy throb with expectation.

Gavin slid his hand under my skirt and moved it upwards, fumbling for the waistband of my tights. He pulled them down my legs, and, hiking my dress up he helped me down onto the rug. We were no more than a short distance away from the people on the benches and lawns, but we were surrounded by trees and bushes, and as long as we did not make too much noise we were fairly unlikely to be discovered.

We settled ourselves on the rug and I rubbed his cock through his trousers until I felt it harden. I unfastened his flies and pulled his cock out through his boxers. With a cheeky grin I reached down and

gathered up the pre-come from his bulbous cockhead with my finger and sucked it sexily off the tip.

Gavin gasped and guided my head down to his crotch. Obliging I licked his shaft up and down, occasionally flicking my tongue across his helmet. As I did so his fingers moved aside the gusset of my black silk panties and felt along my labia, teasing my sensitive pussy lips until he made contact with my throbbing clit. Circling my hot, wet little button with a fingertip, Gavin set my pussy alight, making it clench and spasm as my juices seeped out, sticking my inner thighs.

I wanted more, and struggled to get at Gavin's balls. Grabbing the waistband of his trousers and boxers I hauled them down over his muscular buttocks, and started licking and sucking urgently at his testicles, pleasuring this sensitive area with my tongue and lips. His large balls tightened as his cock grew harder and longer, and my cheeks bulged as I tried to take his full length in my mouth.

At the same time Gavin was expertly frigging my pussy, alternating between working two fingers in my tight, soaking slot and flicking his thumb over my super-sensitive clit. I was now sucking his cock furiously, alternating between licking, sucking, and stroking his shaft with my hand. His shaft was slick with saliva and pre-come and my cheeks hollowed from the suction, and I enjoyed the feeling of his hairy balls tickling my chin. Up and down I bobbed my head, feeling his hard cock tremble excitedly in my mouth.

When I felt him close to coming I quickly slid his cock out, taking a turn at wanking him while I cupped his balls.

Having his cock in my mouth had really turned me on, and now Gavin's fingers were thrusting in and out of my pussy, causing my hips to move in rhythm with his efforts. His fingers moved faster in and out of my labia, his plunging digits soon pushing me right over the edge. With my vaginal muscles

gripping tightly around his fingers, my whole pussy went into spasm, and I climaxed hard, huffing for breath as waves of pleasure and excitement swept through me.

My pussy was soaking wet from Gavin's rhythmic fingering, and I lay back in his arms for a moment to catch my breath. His cock was still hard as a rock, stiff and thick and

ready for action. I licked my lips and sucked his cock back inside my mouth. My pussy was still throbbing with pleasure as I began sucking it deep, and I promised myself that I would not come up for air until I had made him fire his load down my throat.

Tickling his balls, I began bobbing my head on his rigid cock, sucking for all I was worth. He gasped, thrusting his hips up as I sucked him deeply, taking his cock all the way inside my mouth until I felt his cockhead nudging the back of my throat. Then he came hard, his jism erupting in spurts, splashing my tonsils and making me splutter.

Streams of his spunk flowed from the corners of my mouth, so that I had to lick my lips and suck some of it back inside in order to swallow it all.

I love this time of year – there's just something about shaking off the winter blues, seeing new plants appearing and hearing the birds singing, knowing that summer's just around the corner. It also

means that my wardrobe changes: out go the jumpers and trousers, and out come my dresses and little skirts, making me feel so much sexier.

Most of my girlfriends and I have boring office jobs, and because we work so hard during the week, we make sure we party just as hard at the weekend! We're fortunate enough to be pretty hot – even if I do say so myself – so we never have a problem pulling guys, and we all have high standards. So when, a few Saturdays ago, three of us went to our favourite club we were pleased to find a load of footballers out celebrating a win they'd had that day. We immediately identified which we fancied and set about seducing our chosen target.

Becki scored with quite a famous footballer, who I'll call Bob (you'd know exactly who he is if I told you his real name!) and was soon snogging his face off at the bar. Samantha snagged her lover for the night soon after (another footie player from the same team) and I watched her grinding her crotch against him on the dancefloor, her tiny silver mini riding up over her knickers as she got worked up.

“HE WAS SOAKING MY KNICKERS WITH HIS SALIVA AS SHE JAMMED HIS DICK IN HER MOUTH.”

I had my eye on a gorgeous, well-known star and with a bit of smooth talking and flattery he was putty in my hand, practically slathering over my full cleavage. That is, until his girlfriend showed up! To say she wasn't particularly friendly towards me would be an understatement and I watched as my potential shag turned his back on me. Damn!

For the rest of the evening I got lots of advances from the rest of the team, but they were all mingers, and I didn't fancy waking up to some bog ugly bastard in the morning, no matter how many column inches I could get out of it.

A couple of hours later, Becki announced that she was ready for some action and by the way Samantha was acting, she wanted to get her guy's dick out and suck him off there and then, so they asked if I was ready to go. I agreed, but I was pretty pissed off. I wasn't used to failing on a night out!

I decided to share their cab back to Becki's flat so I could at least carry on drinking with my mates. Samantha's bloke was all over her in the taxi: I saw his hand disappear up her skirt and by the way she gasped, he'd got at least one finger inside her snatch!

Back at the flat Becki sorted some drinks out, I put on a CD and we all lounged around, chilling. Bob was well fit, and was soon

shamelessly mauling Becki's big tits in front of us, while Samantha's man Dave thrust his hand up her skirt and continued to finger her twat. Fuck this, I thought – I was playing gooseberry and, as that really isn't my scene, I decided to join in. Positioning myself next to Bob on the sofa, I yanked up my skirt so my thong was inches from his face. Becki had her eyes closed so didn't notice as he mouthed my pussy and pushed his tongue against the material, tickling my clit beautifully as he did. I pulled off my top, unhooked my bra and tweaked my nipples as delicious surges of lust rippled through my pussy.

"Oi! You cow!" Becki suddenly shrieked as she realised Bob was more interested in my fanny than her tits. "He's mine!"

She unzipped his flies and dragged out his lovely hard prick. He was still soaking my knickers with his saliva as she jammed his dick in her

mouth, slurping on it noisily. I eased down my knickers and spread my pussy lips with my fingers so Bob could get his tongue in. He willingly obliged, working a finger inside for good measure. I looked over at Samantha; she was on her back, legs in the air with Dave already embedded in her gash, banging away like there was no tomorrow. The sight of his tool plunging in and out between Samantha's stockinged thighs, coupled with the finger and tongue combo juicing up my own slit, made me quickly come down Bob's throat.

pushed out my arse so he could reach his destination. It was then that Bob jettisoned a load of hot spunk deep inside my friend. Becki came at the same time and groped for Samantha's twat so the poor lass wouldn't feel left out. She needn't have worried as Samantha was licking Dave's dick every time it emerged from my pussy, covered in my juices. Becki pulled Samantha down onto the sofa beside her and played with my tits while Dave continued to hammer away inside me for all he was worth.

Realising what my mates wanted, I levered myself off the impaling dick and flopped onto the sofa beside the girls, leaving Dave

As I came, Becki spat out his knob and clambered on top of him. Grabbing his twitching cock, I steered it to the entrance of Becki's dripping fanny. She dropped onto him and, as his dick disappeared from view, she started grinding her hips frantically as if she was sex-starved. Sliding my hand around her shapely bum, I slipped a finger between her cheeks. She moaned as I pushed it into her tight arse, feeling Bob's thrusting dick through the thin wall of flesh between her two fuck holes. I pushed harder and had got up to the second knuckle when I felt something hard press against my slot.

I was surprised to find Samantha's stud, Dave, behind me, and I

holding his weapon pulsing above our faces.

Opening our mouths beneath him, we gently wanked his meat until he was ready to spurt his junk. Becki clenched it in a tight fist and aimed it at our faces, as a thick jet of white seed shot from the tip, splashing our faces and running in rivulets down our chins and dripped onto our tits.

I was impressed by the guys' stamina as they kept going for most of the night, completely satisfying all three of us girls. It was a wild session, one I'd love to repeat. And all I can say is that it would never have happened in the winter!

We managed to tempt curvy Zara Mae back into *Mayfair* in order to mark our 50th birthday at the beginning of the year, and – luckily for us! – she decided she still rather missed this modelling lark, and so has consented to share her irresistible charms with us again! And this time round, as a special treat for our readers with, er, more traditional tastes, she's gone and grown her bush for us as well!

“Do you like it?” she grins. “I’m not totally sure if I do or not. I’ve kept myself shaven down there for as long as I can remember – shaving my pubes during a luxurious bath is one of my favourite ways to while away a lazy evening – so letting them grow out has been a pretty strange experience. I’m not sure if I’ll keep them or not...”

Well, we’re certainly glad you made the effort and – unless we’re very much mistaken, you haven’t gone back to complete wilderness down there, so there’s still some shaving to be done in the bath!

“That’s true! Now if only I could find someone to lend a hand...”

Oh, we reckon we know quite a few thousand who’d happily volunteer!

It was way back at the start of the year in 50.01 that we last (and, indeed, first) featured the alluring charms of Miss Leonora Love, which is – now we come to think of it – a bit too long to leave her hanging around the studio twiddling her thumbs in between shoots!

“Don’t be silly! Everyone must know that, just like *Pointless*, you guys shoot more than one a day!”

Ahem, OK, fair enough, but just like *Pointless*, we like to pretend we don’t! So while Alexander Armstrong likes to go and change his shirt between episodes, even when they are filmed back to back (and we’ll wager they shoot no fewer than 5 in a day!), we like to maintain that we ship girls in, shoot one set, and then send them away again, alright?

“OK, as you wish. In which case I haven’t been hanging around the studio twiddling my thumbs since the last shoot anyway, have I?”

No, sadly not. Although we’d rather like having you hanging around the place, if we could...

GENTLEMEN, That Reminds Me

Want a sidesplitter or three? Well move along, there's nothing for you here, we're afraid! Email us your efforts at: mayfair@paulraymond.com or send them to: Mayfair, 112 Down Street, West Molesey, Surrey, KT8 2TU.

An old man is on his death bed, attempting to formulate a plan that would allow him to take at least some of his considerable wealth with him. So he calls for the three men he trusts most - his lawyer, his doctor, and his clergyman, and he tells them, "I'm going to give you each £30,000 in cash before I die. Because at my funeral, I want each of you to place the £30,000 in my coffin so that I can try to take it with me, like the pharaohs."

All three men agree to do this and are given the money. So the old man dies, and at the funeral, each approaches the coffin in turn and places an envelope inside next to the corpse.

While riding in the back of the limousine to the cemetery, the clergyman says to his friends: "I have to confess something to you two. The old boy was a good churchman all his life, and I know he would have wanted me to do this. The church needed a new porch very badly, and so I took £10,000 of the money he gave me and bought one. I only put £20,000 in the coffin."

A passerby notices a couple of city workers digging holes at intervals along the pavement. One uses a pick and shovel digs a hole, then the other guy immediately fills it back up again with soil.

The man is quite impressed with their hard work, but can't work out what on Earth they're doing. Finally, he approaches them and asks.

One of the workers explains: "The bloke who plants the trees called in sick today."

The physician then says, "Well, since we're confiding in one another, I might as well tell you that I didn't put the full £30,000 in the coffin either. The old boy had a disease which could have been diagnosed much sooner if I had this very new machine, but it cost £20,000 and I couldn't afford it then. I used £20,000 of the money to buy the machine so that I might be able

to save others. I know the old boy would have wanted me to do that."

The lawyer, who has been looking at the other two in disgust says: "I'm ashamed of both of you. His wishes were explicit and when I put my envelope into that coffin, it held my personal cheque for the full £30,000."

Bill is visiting his colleague Mike, who is off work after hurting his back.. After about an hour of conversation, Mike asks, "Bill, would you mind running up stairs and grabbing my slippers for me? Stairs are a little difficult."

"No problem," says Bill. He goes upstairs and as he's walking along the upstairs hallway he peeks through a slightly open door and sees Mike's gorgeous twin 18-year-old daughters. He opens the door and tells them: "Your dad sent me up to have sex with you two."

The two girls look very sceptical, but Bill says, "Look, I'll prove it to you."

He yells downstairs; "Hey Mike! Both of them?!"

Mike calls back, "Hell yeah - of course both of them. What good is just the one?!"

An Amish farmer and his brand new bride are riding home in a buggy pulled by two horses, when the older horse stumbles.

The farmer shouts at the horse: "That's once." A little further along the way, the horse stumbles again. The farmer calls to the horse: "That's twice."

When the same poor old horse stumbles again, the farmer quietly reaches under his seat, pulls out a shotgun, untethers the horse from the buggy and blows its brains out.

His new bride yells, "You monster! How could you? That was an awful thing to do!"

The farmer strokes his beard and says, "That's once."

A married man is having an affair with his secretary. One day, their passions overcome them and they take off for her house. Exhausted from the afternoon's activities,

they fall asleep and awake at around 8pm. As the guy throws on his clothes, he tells the secretary to take his shoes outside and rub them through the grass and dirt.

Mystified, she nonetheless complies and he slips into his shoes and drive homes.

"Where have you been?" demanda his wife when he enters the house.

"Darling," replies the man, "I can't lie to you. I've been having an affair with my secretary. I fell asleep in her bed and didn't wake up until eight o'clock."

The wife glances down at his shoes and says, "You liar! You've been playing golf!"

A guy walks into a bar and sees a sign which reads "Win Grand Prize of \$10,000! Ask the bartender!"

"Don't be stupid egg. You wouldn't be here if I hadn't come first!"

So the guy asks. The bartender says, "Well, to win the money you have to do three things: first you have to kick the blue blazes of our toughest bouncer who is on his cigarette break out back: he's 6'3" and weighs 260lbs. Next you have to go down in the basement and pull a sore tooth out of my Rottweiler's mouth.

"Lastly, you have to go upstairs and fuck my grandmother... and she's 97 years old." The bartender smirks. "Reckon you can do all that and win the ten thousand bucks?"

The guy's no shrinking violet, however. He accepts the challenge, goes out back and tries to kick seven bells out of the bouncer. Through sheer perseverance he manages to win but he's been beaten badly as he comes staggering back in the bar and heads down into the basement. The bartender listens while the rottweiler growls, barks, then whines and let's out a deep moan. The guy comes stumbling back up the stairs and into the bar and asks the bartender: "Okay, now where's that old lady with the sore tooth?"

oooooooo

Phew – it's been a few issues, but now, thank goodness, we've managed to re-hook up with Welsh wonder Emma Green! So how on earth is 2015 panning out for the beautifully-boobed Briton...?

"Oh, so far so good!" she grins. "I've got a new fella, and I've been having some of the best sex of my life. He likes nothing more than to spend an hour just licking and teasing my nipples, so by the time he's ready to take things further, I'm always nicely juiced-up!"

Hmm, OK, well first of all, we reckon we (not to mention all of our readers) would be more than happy to put in a good two hours of the nipple-licking before we headed south, so if you ever get tired of this fella, do be sure to let us know!

"Ah, that's nice to know – it's always good to have a little something in reserve!"

Yes, we can certainly promise you a little something!

CARA

Age: 27 Vital Stats: 34FF-24-34 5'4"
Photographer: BB Media

Having been woken up horribly early by the binmen clattering about the other day, I stuck the radio on and was treated to half an hour of *Farming Today* which, I'd imagine, was very much like pretty well every previous episode in that it talked a lot about the weather, crops, cattle and all that sort of stuff – basically it was like *The Archers* but without all the drivel about pantomimes. What was most notable by its absence, though, was any reference to having a roll in the hay with a buxom beauty of Cara Brett's ilk, which felt like a bit of a glaring omission, if you ask me. Pesticides, mangelwurzels and foot and mouth are all very interesting, I dare say, but surely the greatest benefit to being a farmer is having a hay loft where you can get up to all sorts of naughtiness with some local wench without feat of getting caught, and in case there are any farmers reading this, here's a set of pictures to remind you of that fact! So put down those hoes and get on with it!

KEISHA

Age: 21 Vital Stats: 32DD-25-34 5'3"

Photographer: Twistys

Pint-sized poppet Keisha's carved out her own little niche in the hearts of *Mayfair* readers of late, thanks in no small part to her wonderful combination of naive innocence and out-and-out naughtiness! She's definitely got the knack of looking like butter wouldn't melt, especially when she first turns up for a shoot, but then all of a sudden she turns on the sex-appeal and then... well, you can see for yourself!

"I think it might have something to do with the make-up," she explains. "I've got quite a lot of fans who follow me on Twitter, but not once have I been recognised when I'm out and about without my slap on. I just look like some innocent little kid – like Joanie out of *Happy Days* or something! It's only when I get all dolled up in cosmetics and lingerie and stuff that my sexual side seems to come to the fore. I have to say, the transformation is something I really enjoy!"

Us too, Keisha - us too!

MAYFAIR Movies

Look, life isn't all a bed of roses for our scruff reviewer - for a start his CV is terrible, and his handwriting's not much better! Still, that doesn't mean he doesn't spend the whole day staggering around with a smile on his face!

★★★★☆

Editor's
PICK

30 AND MARRIED

Union Films

CAST: Lora Summer, Renato, Angel Snow, Szilvia Lauren, Mira Shine.

30 and Married? Ah yes, I remember that! It came sometime after 'Teenaged and Desperate', '20 and Hopeful' and '40 and Divorced'. As far as I can recall, it was a time of untold stress and calamity, so giving a dirty film that title seems highly unlikely to bring a joyful tear of recognition to my rheumy eye. Still, when it comes to bongo flicks I'm always prepared to give them the benefit of the doubt, and so in an optimistic moment I slotted it into the machine, sat back, and allowed the flick to do its worst...

Thankfully for me (and for anyone else who watches) there's next to no arguing about who's doing the washing up, whether the bins have been put out and the like - rather it's a series of vignettes in which, well, a selection of women who purport to be both 30 and married (I have my doubts on both fronts) hook up with rather jammy studs for the purpose of committing coitus. Eye-pleasing brunette Renato first up to the plate, and it has to be said she looks the part as her beau sets about lapping away between her thighs. After a quick fondle of his balls and a suck on his pole she spins round and hops on board for a spot of reverse-cowgirl action and then, as is clearly the way with women who are 30 and married (but not to me) she presents her shapely rear for a doggy-style reaming that sees them finish each other off nicely.

Covergirl Lora's also pretty atypical of the 30 and married sort, taking a right reaming from her lover on an IKEA looking table that left me far from flat-packed.

Other highlights include Angel tempting a hunk away from a game of solo (a game I'm not averse to myself) with her taut bod, and raven-tressed Mira preferring prick to piano. Classy stuff from Director Kendo.

She presents her shapely rear for a doggy-style reaming that sees them finish each other off nicely.

AU NATURALE

CAST: Keisha Grey, Shae Summers, Ava Dalush, Janice Griffith, Brooke Wylde, Cameron D.

Nobody likes unnatural breasts. Fake boobs? – well no, that's not what I mean. I'm talking about unnatural as in circus freak hooters or triple-norked Martian mutants from the film *Total Recall* (the original one, I mean – heavens to Betsy there's a remake of that knocking about now!). That may be why the producers of this rather beautiful film chose to focus on women with large, unaugmented knockers. Hence the "Au Naturel" on the title. (Note to potential biographers: Yes, I am fluent in French and many other supposedly saucy or inherently naughty languages.)

Naturally top-heavy boarding belle Keisha Grey and her juggy buddies find an empty pool to skate in at the home of Johnny Hollywood, a "legend" in the skateboarding world. Johnny teaches Keisha to skate like him, and by way of a thank you she deepthroats his cock, then rides him rotten. There is, of course, a short period between these two acts as she spits out his shaft and they clamber into the classic "riding someone rotten position". See Figure 1 in the unenclosed booklet.

★★★★☆

Other juicy bits worthy of remark in this genuinely delightful little porn flick include super-busty Shae Summers getting knobbed at – and very nearly all the way along – the beach, making best use of her surreal torso-mounted assets all the while, and titanicly titty Janice, who waggles her whoppers at her pretend step-dad to spite her mother for grounding her at spring break.

Included is a bonus scene with Cameron Dee (not D. Cameron!) showboating her natural but outlandish melons.

★★★★☆

Digital Playground

STRYKER

CAST: Julia Ann, Courtney Taylor, Eva Karera, Anikka Albrite, Raven Bay, Peta Jensen, Kenna James.

I imagine James Bond 007 aiming a gun with his flies open and his cock out and this is essentially what you've got here. Tommy Pistol (possibly not his real name) stars as Stryker in a triple X-rated "super spy" spoof in this Digital Playground Original Series which has been knocked together into a two-disc set. Which means there's over four hours of it for you to enjoy, assuming you don't switch it off once you're er, done.

No-one expects great acting in a porn feature, but it really should at least be somewhere on the right side of intolerable. The worst offender by far, sad to say, is Mr Pistol himself, who clearly thinks he's hilarious and mucks about for extended periods. Mercifully for those of us who watch this sort of thing for the nookie rather than the plot (ie all of us), the sex scenes range from good to outstanding.

The story is broken down into sorry pun Bond pastiches: For Your Ass Only, License To Drill, Her Majesty's Secret Sex Service, From Russia With Love (*Er, is that a pun? – Ed.*), The Man With The Golden Love Gun, The Spy Who Fucked Me, Thunderballs and Octopussies (after which you'll never touch seafood again).

Highlights include secret organisation CRISIS supremo "Mother" (Julia Ann) gobbling the head of the KGB in a classy boudoir tryst and the lovely Anikka Albrite opening her thighs to reveal a place in which Steven St. Croix could hide any amount of super secret items.

Not too sure what Cubby Broccoli's estate would make of it all, but personally I found many aspects of the film highly entertaining, and hey – I'm the one who's (barely) paid to write these reviews!

Wicked

JESSICA DRAKE'S GUIDE TO WICKED SEX: SATISFY HER LIKE A LEGEND

CAST: Adrianna Luna, Ferrara Foxxx, and Lexi Belle.

An instructional video. Erotic but educational, even for "old hands" like mine. Perhaps you have had sexual intercourse before – possibly even more than once, and with a person of the opposite sex. If so, much of what Jessica has to teach you about knobbing will simply be some useful bells and whistles. Even so, there was mention of something for blokes on their own called "masturbation", which was fascinating to learn about, though I think it will be a very long while before I take the plunge into those uncharted waters.

Jessica is joined by iconic stuntcocks Ron Jeremy, Steven St. Croix, Sean Michaels, and Evan Stone, all of whom have been in the sex industry for donkeys'. They discuss snogging, feeling people up, dirty talk, and lasting longer in bed (tell that final one to Edgar Allen Poe's

★★★★☆

"deceased" Monsieur Valdemar, who only managed seven months under hypnosis).

The sex discussion includes plenty of instructional mucky clips.

Then an hour of solid sex action begins: three heterosexual couples go at it good style

with no shortage of snogging and all kinds of foreplay... except the sort that I like, which involves Highland dancing. Jessica provides a commentary but you can always turn the sound down – just like one always does with these sort of films.

And if you don't like the production's 100% Condom Usage it's OK for you to just come into a paper hanky.

■■■■□□□

First off, to all you readers with a good memory for faces (not to mention figures and intriguing lizard tattoos) no, you're not going mad – Zoi here has appeared in the magazine before a while back but under another name. Look, don't get all flustered – if a girl as hot as Zoi wanted to show off her fabulous charms in *Mayfair* but insisted on having a different name every single time we featured her, we'd still consider it a bloody good deal, alright?!

Ahem, anyway, as you can no doubt tell from her poses and that moody look she's perfected, Zoi here is no stranger to modelling at all, having graced all sorts of catalogues and the like over the years, but what with this being *Mayfair* and all, instead of looking at her stunning form and thinking to yourself, 'Damn it, I'd really like to see what she looks like out of that lingerie as well as in it!' well, you bloody well can! Talk about value added, eh?

'Mind your head' says the sign, but as you've doubtless already guessed from this blathering, we've already lost ours – not to mention our hearts – to Zoi!

MAYFAIR
Classic

If modelling newcomer Penny Davis fails to make it as a full-time professional with her sexy 38-24-34 figure, it might be wise to avoid dining out in South Coast hotels. Penny 18, worked as a waitress in South-sea, and once impressed a male customer by dropping a potato into the gravy and soaking

him. I was trying to serve it properly with a spoon and fork. Of course I dabbed the gravy off but left the trousers for him to wipe,' said the Staines-born beauty who had recently moved down to Portsmouth with her family Penny has also worked in a supermarket and a factory

Penny likes the attention of modelling, and for the same reason wears tight clothing. But she once came unstuck. I had on a skin-tight mini dress with a low back, and as it kept riding up I put on a tiny G-string. But it was so small I went to the loo and forgot I was wearing it. My friend heard me swearing in the loo of the club when I realised what I'd done. I had to go home.

MAYFAIR Classic

As well as featuring two Caras (OK, one Cara and a Kara) this issue, we've also managed to get 2d (that's two Pennies for all you young 'uns) in the mag as well, even if we did have to delve all the way back to 1987 to do it. For readers who might have seen this set first time round, this is a golden opportunity to relive a blurb that relates the tale that Penny here once went to the loo but forgot she was wearing a G-string. And for the rest of you, it's a chance to see how blurb-writers' minds worked a generation or so ago. Not a pretty sight, is it?

MAYFAIR

Vol.52 No.3

On Sale March 3rd

Stap me – I've barely got my head around the fact that it's not 2016 anymore, and here I am thinking about issue 3 for 2017. And what I'm thinking is this; "Hmm, just exactly which of the tasty treats we've got lined up for them next month should we let on about at this stage?" And then, as if by magic an email pops into my in-box pleading for more Adele Taylor and Holly Gibbons, both of whom were slated for 52.03, so that solved that little dilemma! If only life were always that straightforward, eh?
